## ▶ WHAT JAMIE WANTS

### Holiday Shopping Guide

With the holidays in full swing, we're asking W editors what's on their wish list. Here, Beauty and Health Editor Jamie Rosen shares her top picks.

Louis Vuitton City Guides, \$130

Time and time again, the Louis Vuitton City Guides deliver trustworthy suggestions for restaurants, hotels and info in far-flung locales like Mumbai, Tokyo and Rome. I have spent the last several years buying the European Cities box sets as gifts and borrowing my sister's well-worn set. I think this just might be my year.

Dream Yoga Mats, \$66.95

I spotted these yoga mats at Oop! in Providence, and have been thinking about them ever since. I find most decorated mats far too distracting, but the cute, embroidered symbols on these—peace signs, lotus flowers, even a skull and cross bones (not very yogic, I know)—are not too big, not too small, but juuust right.
